1.	According to you, how do you precept on the use of Grammarly in helping your assignments in academic writing class?	In my opinion, Grammarly is very helpful in supporting my academic writing assignments because there are some parts that I sometimes write too quickly, which eventually confuses me with the use of tenses. With Grammarly, the tenses in my writing become better and easier to understand.
2.	According to you, how do you perceive the advantages of use Grammarly application?	Grammarly saves my time when I'm done writing. I always double-check many times for any mistakes or wrong grammar. It really takes up a lot of time because there are still tasks and things I have to do. With Grammarly, my time becomes more efficient and effective, and the results are quite satisfying
3.	According to you, how do you the Grammarly application gives you feedback in your writing	Yes, I think Grammarly provides good and detailed feedback, although there are some things that sometimes make me difficult because I have to use premium, so some necessary features cannot be accessed if not premium. Apart from that, the feedback is very detailed and thorough, such as incorrect word usage or improper semicolon usage.
4.	According to you, what are the disadvantages of using Grammarly?	In my opinion, we become accustomed to using it and eventually forget the manual way, which if checked personally can make us learn which parts are wrong in writing and what the original grammar looks like. If we use Grammarly, everything becomes instant, and if we don't learn further, we won't gain anything.
5.	According to you, what are the features do you always use in the grammarly application?	I often use the feature to check tenses and proper semicolon usage. Because in those parts, I sometimes encounter difficulties.
