## ABSTRACT

**Muhammad Ali Norvin.** 2023. *An Analysis of BBC Learning English Apps for english language teaching.* Thesis. English Education Department, Faculty of Tarbiyah and Teacher Training, Antasari State Islamic University. Advisor: Afifah Linda Sari, M.Pd.

**Keyword : apps , Bbc, english teaching**

Learning English can be very difficult let alone teaching it to other people. how can someone can teach english. What methods should be used to teach students. what steps should be taken to teach students. teaching a language is something different. it can be said to be difficult or it can be said to be easy, depending on who teaches it. if the teacher is experienced it will be rather easy to teach. At first glance, teaching languages is easy. but when it is practiced with many students it will be very difficult because of course there are students who pay attention and also who do not. This study uses an app that is easily accessible by students to learn English. analyzing apps is done to get a deeper understanding of the app. thereby enabling students to learn English effectively. This study uses a qualitative method, with the content analysis method to analyze the content available on the internet. Researchers explored the BBC App to find good and effective English learning methods. The consideration is based on the availability of very many English learning methods. in the bbc app there is a lot of reading material not even limited. there will be many native speakers speaking in the app so the bbc app is a great app for practicing listening.

## ABSTRAK

**Muhammad Ali Norvin.** 2023. *An Analysis of Bbc Learnin Apps for english language teaching*. Thesis. English Education Department, Faculty of Tarbiyah and Teacher Training, Antasari State Islamic University.

Advisor: Hidayah Nor, M.Pd

**Kata kunci: Metode , Learning.**

Mengajarkan bahasa inggris kepada orang lain tentulah sulit. Ada beberapa tingkatan pelajar yaitu pemula, menengah, dan mahir. Jika mengajarkan bahasa inggris kepada yang sudah di level mahir maka akan mudah karena si pelajar sudah memahami dasar-dasar bahasa inggris. Pengajar hanya memerlukan beberapa metode untuk meningkatkan kosakata atau ungkapan berbahasa inggris. Berbeda dengan pelajar pemula, pelajar dari nol. Bahkan belum mengenal ejaan bahasa inggris. Pastilah sangat sulit. Karena itulah penelitian ini menggunakan aplikasi smartphine yang bisa diakses dengan mudah bagi pelajar bahasa inggris. Menganalisisnya lebih dalam agar pelajar dapat memahami cara menggunakan aplikasi pintar ini. Penelitian ini menggunakan metode kualitatif, dengan teknik analisis isi untuk menganalisis aplikasi yang tersedia di smartphone. Peneliti menelusuri aplikasi Bbc Learning english dan menyaringnya untuk fokus belajar kemampuan berbahasa inggris yaitu speaking, listening, reading, writing, grammar, dan kosakata . Pertimbangan untuk aplikasinya adalah mudahnya akses, terjangkaunya harga, dan macam macam metode belajar yang tersedia. Temuan dalam penelitian ini menunjukkan bahwa ada banyak metode belajar bahasa inggris yang menyenangkan hanya dalam satu aplikasi BBC Learning English saja seseorang mampu meningkatkan kemampuan bahasa inggrisnya secara signifikan dengan melibatkan guru-guru profesional didalamnya dan penutur asli bahasa inggris .
