DEDICATIONS

With gratitude alhamdulillah rabbil alamin, what a long struggle I have gone through to get this bachelor's degree. The gratitude and happiness I feel will be presented to the people I love and mean in my life:

1. My siblings, Ega Mardani, SE, and my sister-in-law Siti Sholikah, S.Pd, who always provide encouragement and motivation to get to the current stage. Hopefully always blessed and given health.

3. The author's best friend, Lailatul Badriyah, who has been the author's best friend from childhood until now. Thank you for listening to the author's complaints, giving advice to the author, and even though we rarely meet, but once met, it is still connected and exciting like friends who are always together.
4. Friends in college, namely Delya Eka Putri and Nur Yuliana, who have accompanied the author in completing education in this department, thank you for the extraordinary adventure, memories of jokes and laughter that are very pleasant and memorable for the author.
5. Thanks to Guyon Waton, Ndx aka, Denny Caknan, and Lavora, who have become playlists in accompanying the author in preparing this thesis with a state of pleasure.

6. To an unknown figure whose name is clearly written in *Lauhul Mahfuz*. Thank you for being one of the sources of motivation for the author to complete this thesis as an effort to stabilize himself. Hopefully we will meet in the best version of each of us.
7. Lastly, thank you to a simple woman who has high desires but sometimes difficult to understand the contents of her head, the author of this paper is myself, Kasbatul Isnir. A youngest child walking towards 23 years of age who is stubborn but sometimes his nature is like a child in general. Thank you for being present in the world and for surviving so far through the many challenges and obstacles that the universe has given. Thank you because you are great and I am proud of the achievements that have been achieved in this life and always celebrate yourself to this point, even though expectations often do not match expectations, but must remain grateful to always be willing to try, work together and not get tired of trying positive things. Kindness - kindness and prayer that you always sky Allah SWT. has planned to provide unexpected choices that are certainly the best for you. Always be happy wherever, whenever you are. Always celebrate your presence to be shining wherever you set foot.
