

CHAPTER V

CLOSURE

A. Conclusion

Based on the research result, the researcher can include the points as follows:

1. The result of researcher's observation shows that English teacher in MI Nurul Huda Kayu Bawang was good applied the techniques in teaching English. The English teacher not only use one technique, but also some techniques that she uses. The techniques as follows:
 - a. Reading aloud
 - b. Role Play
 - c. Song
 - d. Repetition Drill
 - e. Game
2. The result of four observations and documentary by the researcher shows that the teacher's techniques in teaching English at Islamic elementary school Nurul Huda Kayu Bawang is good. The result of observation show that the teacher uses some techniques while the dominant technique which almost used by the teacher is repetition drill.

3. Suggestion

Based on the findings of the research, the researcher would like to propose the following suggestions:

1. For the students of Islamic Elementary School expected to hard study in English subject. The researcher hopes the students can give more attention to Learn English.
2. For the English teacher, the researcher hopes that the teacher can apply new techniques to improve the students' motivation in learning English. The researcher gives suggestion that the English teacher must be known about the characteristic of students, if the English teacher can't give attention to students, the teacher can make an interesting activity to the students because of they are still young and they like games.
3. The researcher realizes that the study. However, has not been satisfactory yet. The researcher hopes that other researchers would continue this study to find other aspects in the English learning process.
