Night, Arendelle castle, room, Anna's changing	Hans convey the real reason why he come this Kingdom and why he so easily ask Anna to marry him, also the bad purpose behind it.

B. Discussion

1. kind of maxim

In this discussion the writer will explain about the process how to find the kind of conversational implicature maxims that found in this movie, after watching the movie for many times in one month, the writer listen to the movie using speaker and earphone to hear it more clearly to get sentences that the writer search to complementary the thesis. To make sure what the writer get from listening the dialog, the writer read the movie script carefully and compare with it to check if the sentences grammer right or wrong, after that step the writer selecting the sentences which are included into conversational implicature that found in Frozen movie. The writer clasify each conversational implicature into four tables which sentences are belongs to each conversational implicature maxim and analyze when, where, how maxim happen in each sentences based on the movie (story) in the end of research the writer had found. From thoses steps there are about 34 sentence or utterance. from those distribution the writer get 10 sentence of maxim quantity, this maxim explain about the information or utterance that could be true or not true based on what the speaker and the listener believe. 11 sentence of maxim quality, this show each utterance involed the real information of the conversation that happen between the speaker and the listener. 10 sentence of maxim relation, two or more utterance that relate with conversation before even the speaker mention it in differen time. 3 sentence of maxin manner, this different

from other maxim because intend unclear answer of what the speaker ask or meant.

2. The Context

In this thesis discussion the writer will mention the context that happens in this movie based on conversational implicature sentences that found in Frozen movie, the writer find that the context more takes outside of castle especially at ice forest and ice mountain than castle. Exactly happen when Anna go to ice forest and ice mountain to find Elsa's location, also when Duke and Hans plan to steal Arandelle kingdom at panic situation. And emotional situation happens when Anna's accident, Elsa's coronation day, and Hans laying situation about his purpose, that only happen inside the castle. More happens outside the castle than inside the castle, those are the conversational implicature context that found in Frozen movie.
