

CHAPTER V

CLOSURE

A. Conclusion

After conducting the research and analyzing all the data about teaching techniques of vocabulary on English subject at the ninth year student at MTs 1 Muhammadiyah Banjarmasin academic year 2014/2015, the writer would like to conclude the result of study as follow :

1. The teacher techniques of teaching vocabulary at ninth year students in MTs 1 Muhammadiyah Banjarmasin are translation of literary passage as primary technique in teaching vocabulary, and other techniques in teaching vocabularies are fill in the blank, memorization, and guess the meaning
2. Factorsthat influence the teachers in teaching and learning of vocabulary on English subject at the ninth year students at MTs 1 Muhammadiyah Banjarmasin are teacher's background, and teaching media and literatures.

B. Suggestions

Based on the result of research, the writer would like to give some suggestions as follow :

1. The teacher should pay attention to students' understanding of English lesson and students' vocabulary instead of pursuing the curriculum in order to finish the syllabus. And also the teacher should vary the techniques in teaching vocabulary to enrich students' vocabulary.
2. The school should make effort to facilitate the teacher in teaching and learning activity by providing better English textbook and supporting books for English teacher and providing better media for teacher.
