

CHAPTER V

CLOSURE

A. Conclusion

Based on research data and interview about the appropriateness between the indicators and the evaluations in lesson plans designed by students' teacher in PPL I on aspects of knowledge, it can be some conclusions that appropriate between indicators and evaluation of the lesson plan English subject by students' teacher at PPL 1 in IAIN has obtained the results from 10 students' teacher at PPL 1 at English Department of the appropriate between the evaluation and indicators there are four lesson plans and indicators are less appropriate with the evaluation there are six lesson plans. It means in this research most lesson plans that less appropriate with the evaluation.

B. Suggestion

Based on the research, it is found that the appropriate of The Indicators And The Evaluations In Lesson Plan of Students' Teacher In PPL 1. In there are some lesson plan that still not meet the criteria of a good lesson plan, Therefore they should be learning lessons from the making lesson plans given by the lecturers and more understand about the curriculum and syllabus.

I hope the lecturers in English Department should verbally motivate the student to improve their skill to make good lesson plan and Students' Teacher In PPL 1 at IAIN Antasari should work harder and more seriously in order to improve their skill to make a good lesson plan. They should start know about

syllabus and curriculum, because when PPL II they are have to give the lesson plan to the teacher. Therefore they should prepare their ability and understanding in making a lesson plan before entering PPL II. And i hope my research will be a good reference for other researcherment.
