

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

Based on the result of the research toward an analysis of redundancies on descriptive paragraphs in Paragraph Writing class of English Education Department IAIN Antasari Banjarmasin, there are some important conclusions that can be presented by the researcher as follows:

1. There are 35 redundancies are written by 15 fourth semester students on descriptive paragraphs in Paragraph Writing class at English Education Department IAIN Antasari Banjarmasin.
2. The kinds of redundancy are written by the fourth semester students on descriptive paragraphs in Paragraph Writing class at English Education Department IAIN Antasari Banjarmasin are unnecessary phrases, repetitions of words with the same meaning and repetitions of noun by pronoun.

B. Suggestions

Based on the research result, discussion and conclusion above, researcher wants to give suggestions as follows:

1. The English Education Department students must practice writing continuously to improve their quality in writing and to avoid redundancy in writing especially in writing descriptive paragraphs.

2. All the English lecturers especially writing lecturers must give their students an information about redundancy, because many students do not understand redundancy so much.
3. English Education Department should facilitate more books on redundancy in writing subjects, so the English lecturers and students could pay attention enough on redundancy in writing.
