I will be bawling my eyes out. My daughter Sara and I saw this for the first time in the theater when she was 2 weeks old. I lost her almost 8 years ago at 16 to a disease. We watched this movie together hundreds of times. It's why I called her Sarabelle.

Kelton Cook

Still think the CG looks kinda bad, the movie over all just looks like it's gonna be a bit silly in live action, and I'm still not sure about the cast even the voice actors.

Alfred AppleJaxx Thompson

If you're still doubting this cast you are officially crazy....I can't wait for March 17!!! This movie looks beautiful and grand and it's just OMG I'm just excited....Great job Disney!

Alexa D'Argenio

Steven DeStefano I AM SO PUMPED FOR THIS 🤪 probably just as pumped as you get for marvel movies and I go see them with u so u have to go see this with me okkkkk thank u 😊

Fong Dina

Wish it's another girl playing belle. I can't get rid the image of her in Harry Potter. It's like a trademark. Btw, why is it all the princesses story speak in British English .. Wondering how it will sound in American English

Ty L. Bazemore

Wendy Watkins Bazemore they made a movie just for us. So many people have made a reference to this without me even having to say anything. Needless to say I am the beast LOL

H'Aluya Kelly Hdok
Tyler Campbell I've never seen beauty and the beast. But judging from the trailer it sounds like he turned into a beast bc he was cursed for being conceited and she breaks the spell? Take me to see it.

TJ Yarcia
Tbh, I was skeptical when I heard Ariana Grande and John Legend were in ginger the main song, but now I'M SO EXCITED!! I can't wait to hear "Something There" during the winter scenes!! My favorite Disney movie is almost here!

Kristy Ramirez
OmGosh.. Tiana Palomino Theresa Sandoval Krystal Saldivar We gotta see this when it comes out. Even if only to hear krystal sing all the songs word for word. Haha. Might be a tad more excited to see this than 50 shades

Imee-Marie Nazario Superales
Paul Super sorry hun, I'm dragging you to this one for a date night with me! 😊 Wanna do Fri March 17 after work, or Sat March 18? I have to pre-purchase tickets now as they will sell fast.

Jen Nowicki
Cheyenne Coss I just started watching once upon a time.. and love it! Cuz I'm Disney crazy person... but we should order tickets and see the mid night showing!

Alice Hyunah Kim
Kirsten Reynolds Kassidy Kwilas Shruti Patel Gracee Ham I got goosebumps OMGOSSSHHHHH I CANT WAIT 😭 (sorry for tagging you guys every time a new trailer comes out LOL)

Iori Kaartz
Ooooooh the chiills. ><

I love this movie so much the trailer makes me wanna burst in emotion.

I could litteraly kiss the first person in sight. I can't wait, oh my dog. I can't waaaaaiit. ><

Peggy Shimwell
Can,t wait lets just enjoy the film and escape back to our childhoods for a while .Theres too much gloom and doom in the world .

Kathy Torres

Although I love Emma Watson in general as a performer, I do not think she did the part justice. To be honest the whole movie left me unsatisfied by the end. The movie had potential and there were scenes that really captured me but the movie as a whole was just blah for me. But then again Beauty and the Beast is my favorite story of all time and I have watched many renditions.

Christina Wai Yan

I don't know. I kind of like that, it puts a different twist.

Rebecca Miller

Dude! Thank you! finally some1 agrees with me! Her acting was off and her singing made me cringe! I love Emma but just not as belle! I was think Nina Dobrev would have been the perfect Belle.

Cindy Schneider

Emma Watson blew me away with her beautiful and amazing performance as Belle so happy they casted her as Belle she did an amazing job 💙💙💙💙

Kelly Price

The film looks incredible, it's always been my favourite Disney but I can't deny that Emma Watson is not my choice for belle. I loved her as Hermione but I think she just isn't quite right for belle, she has a hardness to her voice. We will see how the film turns out tho, it looks so good that hopefully it won't matter!!

Jess Hazley

Katherine Hurley still don't know looks better but Emma Watson just no her whole persona seems too angry to be belle. And still don't like the beast too human like in the face and the fact Ariana grande is singing the main song has just put the icing on top of the cake 🙄

Khadijah Holgate

Oh you were talking about this one but she is singing in another one. They usually release 3 diff trailers for variety but idc still going to see it. Might be twice lol Mikayla Ragovin

Jessica Peña

Beauty and the Beast has always been my most favorite movie ever!! It seems from the trailers y'all haven't adjusted it by much at which excites me more than ever!!! Can't wait 😍😍

Lyndsey Kent

Nope, Emma Watson is a bad actress only good un harry potter. I was so disappointed to know she played belle my fav Disney princess. She is so annoying! 🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄

Nicholas Hanson

Ariana doesn't care what you think, she hates America and be careful or she'll lick your doughnut, rofl. 😏

Hannah Skeldon

You people make me sick! Judging the film and criticizing the actors and actress just because it's not the animated film is pathetic! I think Emma Watson is a perfect Belle she looks just like her and acts just like her get a grip!

Damian Alvarado

The song beauty and the beast ugh. One of my favs. Not impressed with this cover. Maybe the one in the actual film will be great. I'm a fan of ms grande how ever her voice isn't mature enough for this song.

Corey Wakefield

Really not digging the way beast looks, they could have done better...not something to drop the ball with IMO, get the beast right, it is beauty and the BEAST! Erica Phillips

Sneha Paul

wth! we didn't watch this movie Urmi Sarkar Where are we living? What are we into? 🤔

Kira Montague

Becki Smith I cannot watch any of these trailers without feeling the presence of my sister/bff Danielle Wolf. I get chills every time abs feel her presence so strongly. Brings back so many childhood memories....the music. I remember when she first got her Belle doll. What I would give to be able to watch this with her in the theatre.

Jacob Redmon

I'm sorry, but that CGI in the opening shot of the village is SHOCKINGLY awful. Overall, this movie looks great, but that was really distracting.

Keriane Kellogg

Beauty and the Beast is my favorite Disney movie and I have been worried about Disney recreating it because I didn't think they could recapture the perfection of the original. This trailer literally gave me CHILLS. I was impressed at first, and then she started singing and I fell in love with it. The animation, the casting, the song....its perfect. I can't wait till March 17.

Cheryl Feinstein Mustacchio

My ALL time favorite Disney movie .. I am 50 yrs old and not ashamed to say I had chills and tears in my eyes watching this .. ❤️❤️ LOVE LOVE it
