

## CHAPTER V

### CLOSURE

#### A. Conclusion

After conducting the research and analyzing all the data about teaching vocabulary of using one word stories game at seventh grade students of MTs At-Thahiriyah Madurejo Academic year 2017/2018, the writer would like to conclude the result of the research as follows;

- 1 There were some the teacher's procedures of teaching vocabulary by using One Word Stories game at seventh grade students of MTs At-Thahiriyah Madurejo are; on opening, the teacher greeted and checked the attendance, then prepared the material and explained the lesson that she used technique, she reassured the students by asked make group, then the teacher clarified the procedures of the game, after that The teacher asked question what they understand or no, Then the teacher closed the lesson by asked the student to conclude the lesson and the teacher review in brief. She applied the game appropriate with the procedures.
- 2 The most of the students all involved on the game, they always pay attention to the teachers' clarification, They played the circle game (One Word Stories). The students did the game appropriate to the procedures of the game.

## **B. Suggestions**

Based on the result of research, the writer would like to give some suggestions as follows;

- 1 The teacher should pay attention to students' understanding of English lesson and students' vocabulary instead of pursuing the curriculum in order to finish the syllabus. And also the teacher should vary the strategies in teaching vocabulary using circle game to enrich students, vocabulary.
- 2 The students should make effort to facilities the teacher in teaching and learning activity by providing better English textbook and supporting books for English teacher and providing better media for teacher.
